### Assonance Exercise

Create assonance by circling the appropriate word from the choices given. Remember, assonance occurs when the vowel sound within a word matches the same sound in another word, but the surrounding consonant sounds are different.

#### EXAMPLE:

**Ice**    a. gift            b. fight            c. icicle            d. indeed

- 1) **Purple**            a. hunk            b. chuckle            c. dirt            d. wart
